Information Booth to be Available Throughout Week

WASHINGTON, D.C. - Congressman Jerry Moran will be attending the 2003 Kansas State Fair. This year's fair is at the state fairgrounds in Hutchinson, September 5th through the 14th. Each year since his election to Congress, Moran has attended the state fair in order to gather input and suggestions from Kansans to take back to Washington, D.C.

At this year's fair, Moran will take part in a Salute to Veterans, sponsored by WIBW Radio of Topeka. In addition to Moran, the hour-long event will include the Chief of Staff at Fort Riley and Vice Commander of McConnell Air Force Base, as well as Senators Sam Brownback and Pat Roberts. Patriotic music will be performed by the Buhler High School Singers. The event will run from 11:00 a.m. to 12:00 p.m. on Saturday, September 6th.

Also that day, Moran will take part in the annual Kansas Farm Bureau Leader Breakfast and Legislator's Day at the fair.

In addition to the activities, Moran will have an information booth available throughout the week of the state fair. It will be located in the Pride of Kansas Building. Members of Congressman Moran's staff will be on hand throughout the fair to answer questions and provide information to fairgoers.

Moran will also have a banner of support for American troops available for people to sign at the booth. People who stop by the booth will have the opportunity to sign the banner, which will be given to American troops serving in the War on Terrorism.
